Presence make difference

IITCE - is the ideal platform for Tea & Coffee Industries to showcase their corporate profile, products and services. Over the course of four days. there is an opportunity to network with decision makers from across the India and around the world.

"Retail is not just big boys game, small start-ups with a clearly defined product offering will do very well in the Indian retail market,"

We have participated in IITCE previously It has given us the opportunity to connect with distributors, wholesalers and buyers from the region. We have also received more feedback & enquires.

B.K.Mishra | CEO Delight Tea

We are happy that the show exceeded our expectations. It gave us opportunity to demonstrate our product and meet many important industry people under one roof.
